

ALENZA

Basal Oil RED

Oil Surfactant Penetrant and Low Volume Basal Oil with Red Dye

ACTIVE INGREDIENTS:

Paraffin Oil and Surfactant Blend with Red Dye 100%

IMPORTANT - READ HERBICIDE LABEL BEFORE USING THIS PRODUCT.

Use in strict accordance with herbicide label cautions, warnings and other directions.

CAUTION: KEEP OUT OF REACH OF CHILDREN

Harmful or fatal if swallowed. Excessive exposure may cause irritation to eyes, nose, and throat. Contact with skin is practically non-toxic. If absorbed may result in mild irritation with prolonged or repeated contact.

GENERAL INFORMATION

ALENZA Basal Oil RED is a low viscosity non-aromatic/non-carcinogenic diluent with nonionic surfactants and selected emulsifiers. **ALENZA Basal Oil RED** is designed for basal-bark and cut-surface brush control applications with oil-soluble herbicides such as *GARLON 4®, which are registered for woody plant vegetation control.

ALENZA Basal Oil RED is approved for use in industrial rights-of-way, forestry and other non-cropland applications that require an oil diluent as a penetrant.

**Garlon 4® is a registered trademark of Dow AgroSciences.*

USE RECOMMENDATIONS

ALENZA Basal Oil RED can be used at dilution ratios of 1:4 (20%) or 1:3 (25%) when following the herbicide manufacturer's label recommendations. Test **ALENZA Basal Oil RED** for compatibility with the herbicide before mixing for use.

NOTE: Use rates may vary dependent on environmental conditions and applications. Increase rates as necessary for additional wetting and penetration. Follow recommendations and label rates of herbicide manufacturers.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. Have the product container with you when calling a poison control center or doctor, or going for treatment.

ALENZA warrants that this product, when used as directed and in accordance with sound agricultural practices, is reasonably fit for the purposes stated on the label. Buyer assumes the risk of any use contrary to the directions so stated. ALENZA will not be liable for indirect or consequential damages. ALENZA makes no other expressed or implied warranty of Fitness or Merchantability. This warranty shall not be changed by oral or written agreement unless signed by a duly authorized officer of ALENZA. In no event shall ALENZA's liability for any breach of warranty exceed the purchase price of the product to which a claim is made.
