

ALENZA Pine

Nonionic Wetter/Activator/Penetrator

PRINCIPLE FUNCTIONING AGENTS:

Limonene, Selected Emulsifiers and Surfactants 100%

All ingredients are exempt from tolerance requirements under 40 CFR 180.

CAUTION: KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS: May cause irritation to skin and eyes. In case of contact, flush thoroughly with water. If swallowed, do not induce vomiting. Get medical attention.

GENERAL INFORMATION

ALENZA Pine is a spray adjuvant for industrial and aquatic herbicides. **ALENZA Pine** ingredients are specially selected from by-products from the forestry industry and improve wetting, penetrating and activation of herbicides in broadleaf and wood-plant species.

FIRST AID

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. Have the product container with you when calling a poison control center or doctor, or going for treatment.

DIRECTIONS FOR USE

<u>Type of Application</u>	<u>Per 100 gallons</u>	Note: Variations in weather and application types may cause needed rates of ALENZA Pine to increase or decrease. The selectivity of herbicides in conifer release is affected by ALENZA Pine . Do not use in concentrations of 15% or more, as burning and defoliation of vegetation may occur. ALENZA Pine should only be used when recommended by the manufacturer or where proper testing and/or experience allows.
Rights-of-Way:	1 Pt - 2 Qts	
Forest Site Preparation:	1 Pt - 2 Qts	
Aquatic - Surface:	1 Pt - 2 Qts	
Submerged:	1-2 Gallons	

STORAGE AND DISPOSAL

Store at temperatures below 120°F. Product may expand slightly in storage causing slight pressure to build in container. Avoid temperature extremes. Triple rinse container into the spray solution and discard or offer for recycling or reconditioning. Always dispose of containers according to Federal, State and Local guidelines.

ALENZA warrants that this product, when used as directed and in accordance with sound agricultural practices, is reasonably fit for the purposes stated on the label. Buyer assumes the risk of any use contrary to the directions so stated. ALENZA will not be liable for indirect or consequential damages. ALENZA makes no other expressed or implied warranty of Fitness or Merchantability. This warranty shall not be changed by oral or written agreement unless signed by a duly authorized officer of ALENZA. In no event shall ALENZA's liability for any breach of warranty exceed the purchase price of the product to which a claim is made.
