CAUTION: Harmful if inhaled or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. **PERSONAL PROTECTIVE EQUIPMENT:** Wear chemical-resistant gloves, long-sleeved shirt and long pants, shoes plus socks when mixing or applying TURF TRAX® BLUE HC.

First Aid: If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

SUGGESTED USE RATES

SPRAY TANK VOLUME

1 to 3 gallons
15 to 50 gallons
100 to 200 gallons
300+ gallons

RATE

1/2 to 1 ounces
2 to 4 ounces
6 to 12 ounces
18 to 24 ounces

For Best Results: Flat fan spray nozzles are recommended when applying TURF TRAX BLUE HC. Application equipment should be clean, in good operating condition, and properly calibrated to deliver the recommended spray volume per measured area treated. Increasing the total volume of spray solution will enhance the visual marking of non-uniform surfaces, such as longer or thinner stands of turf, or applications made over a broad range of ornamental vegetation and tree canopies.

STORAGE AND DISPOSAL

STORAGE: Store in cool, dry place. Store in original container. Keep container tightly closed. Do not reuse empty container.

DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Wastes may be disposed of on-site or at an approved waste disposal facility. Triple rinse (or equivalent) and add rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org.

For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.
